

**MEETING NOTICE**  
**GSATS TRANSPORTATION ADVISORY COMMITTEE**  
**Friday, April 26, 2024**  
**Ocean Isle Beach Town Hall**  
**10:30 AM**

**There will be a meeting of the GSATS TAC, on the above date and time. Your packet contains an agenda, Minutes of the Friday, February 16, 2024, a Projects Update, an MTIP Update, a Local Input Points Methodology Resolution, and a map of the recommended Study Area Boundary.**

**The Local Input Points Methodology Resolution recommends no changes from the previous methodology. The agenda includes a recommendation on the expansion of the GSATS Study Area Boundary. A map is included that depicts the two areas recommended by the TCC (A and B+) which correspond with development patterns and the Carolina Bays Parkway alignment.**

**If you have any questions or comments, please call Mark Hoeweler at (843) 436-6130. Your attendance and input are greatly appreciated.**
