  - Difficulty crossing the road as a pedestrian
  - Difficulty crossing the road as a motorist
  - Other: \_\_\_\_\_

7. What safety concerns, if any, do you encounter while traveling along Hwy 57? Select all that apply:
- Speeding motorists
  - Poor road maintenance
  - Lighting
  - High volume of traffic
  - Flooding
  - Difficulty crossing the road as a pedestrian
  - Difficulty crossing the road as a motorist
  - Other: \_\_\_\_\_

8. Where have you observed or experienced the following:  
Congestion: \_\_\_\_\_  
\_\_\_\_\_

Vehicle Safety concerns: \_\_\_\_\_  
\_\_\_\_\_

Flooding & Drainage: \_\_\_\_\_  
\_\_\_\_\_

Environmental Impacts: \_\_\_\_\_  
\_\_\_\_\_

9. How do you rank congestion on SC 90?

- No congestion
- Very little congestion
- Average
- Somewhat congested
- Very congested

10. How do you rank congestion on Hwy 57?

- No congestion
- Very little congestion
- Average
- Somewhat congested
- Very congested

11. Describe a location(s) along SC 90 and/or Hwy 57 where a road maintenance concern has impacted your travel.

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

12. What improvement strategies are most important to you? Select four (4):

- |  |   |
|--|---|
| <input type="radio"/> Roadway Widening               | <input type="radio"/> Intersection Improvements     |
| <input type="radio"/> Pavement Improvements          | <input type="radio"/> Access Management             |
| <input type="radio"/> Increased Transit              | <input type="radio"/> Pedestrian/Bicycle Facilities |
| <input type="radio"/> Traffic Signals                | <input type="radio"/> Lighting                      |
| <input type="radio"/> Drainage/Flooding Improvements | <input type="radio"/> Aesthetic Improvements        |
| <input type="radio"/> Turn lane Additions            | <input type="radio"/> Enforcement/Feedback          |

13. Identify locations where the improvements selected above should be considered?
