NORTH CAROLINA METROPOLITAN TRANSPORTATION IMPROVEMENT PLAN

The Grand Strand Area Transportation Study (GSATS) is soliciting public comment on the amendment of the FY 2024-2033 North Carolina Metropolitan Transportation Improvement Plan (MTIP) to include the new and amended Statewide Projects for inclusion in the North Carolina STIP.

The MTIP is a ten (10) year program of transportation capital projects together with an estimate of transit capital that identifies transportation improvement projects located within the North Carolina portion of the study area. The MTIP may also include regional highway projects that are being implemented by the state, county, or municipality for which federal funding is requested.

All written comments received on or before Monday, September 23, 2024, will be considered.
Please send comments to:
